Security Gazette Index 1980

This year's Index is again designed so that it can, if you wish, be pulled out and kept as a separate reference booklet. It contains much more information aimed at ensuring that you can track items either via the subjects themselves or through the writers.

A

Access
—controlling points, *Feb* p51
—entry system *Mar* p51
—powered gate opener *June* p57
—hands-free entry system *June* p57
—single door *June* p57
—new card systems *June* p57
—pass system *July* p47
—tracing and entering *Aug* p37
—expanding barrier *Sept* p61
—Scots test *Oct* p9
—control can be a flexible friend *Oct* p53
—data sheet *Oct* p55
—portable laminator *Oct* p67
—the 'minder' (doorless entrance) *Oct* p69
—technological 'first' *Dec* p45
—video phone *Dec* p45

An AFA-Minerva supplement scene

Adams, Dr R M
—access control *Oct* p53
AFA-Minerva
—joint venture *May* p59
